

## 8.30am Holy Communion

We have recently re-introduced the early/ish Communion Service at 8.30am on Sunday mornings. So far attendance has been very low/nil. We will continue with the service until the end of November; if attendance does not pick up the suggestion is that we discontinue it and perhaps consider another trial period in the spring. If you want to comment or discuss please speak to Elizabeth.

## Well done Oliver

Oliver Wyatt has now completed his sponsored swim. After swimming a mile in an hour and 10 minutes he has raised £380. If you have not already paid your sponsor money please do so

or, if you would like to help round the amount up to £400 [or more] it is not too late to donate. In the meantime, a very big thank to Oliver.

### All Souls Service

#### Sunday November 6th 4pm

The photo above shows our tribute to Joyce Ashton. It was both moving and joyful and, much appreciated by her family. Our annual All Souls Service provides many more families with a time to remember and give thanks for those they love. As well as the traditional reading of names there will also be time for people to light candles, pray and remember. We also encourage people to write down their own tributes, memories and thanks; you can see those from last year alongside the Book of Remembrance. This is a very special service so please come along and, why not, try to find someone to invite?

## We welcome Imogen Anne Hutchinson

Imogen was due to be Baptised back in July, but unfortunately Chicken Pox got in the way [well, at least it's a change from Covid]. So, a bit later than expected today we welcome Imogen, her parents Kathryn and Mark along with their family and friends.

Heavenly Father, you have called us to know you, led us to trust you, and bound our life with yours. As this child is received into the family of your church, bless her with the Holy Spirit that she may walk in the way of Christ, and grow in the knowledge of your love. Amen

Jesus told them a parable about their need to pray  
always and not to lose heart
