Two ordinary people are swept up into God's great plan

Thank you to everyone who helped to make our first Christingle service in quite a while a real success. Everyone enjoyed themselves and £436.95 was raised to support The Children's Society. A special thank you is due to Gail Branch, her wonderful staff and the children of All Saints Primary School.

Thank you

To everyone who has been helping with the various activities in and around our church. Every single volunteer is really making a difference and also helping to demonstrate that we all have a ministry. A ministry for which God will provide the gifts needed to carry it out. So, look out this Christmas as He might just put a little something in your stocking which you can share with all of us!
